❑ Other:

I understand Lifeways has an integrated health record which allows mental health staff access to information related to substance use or treatment or any other services I receive from Lifeways; I am therefore authorizing Lifeways staff members who need access to my protected health information to access the minimum necessary information in my record for such purposes. This is with the assurance that my substance abuse treatment information will not be reviewed in detail and the fact that I am receiving substance abuse treatment will not be disclosed to other programs outside of Lifeways without my explicit written authorization unless required by law.

I understand I may revoke this authorization at any time by notifying Lifeways in writing or verbally, except to the extent that information has already been released in response to this authorization. Unless otherwise revoked, this authorization will expire on the following date:_____. If I fail to specify an expiration date, this authorization will expire in one (1) year.

I have read and understand the terms of this Authorization to Disclose, Receive, and Use Protected Health Information. By my signature below, I voluntarily authorize disclosure, receipt and use of my protected health information as indicated above. I understand that the information disclosed using this authorization may be subject to re-disclosure and will no longer be protected by federal law. I understand that I may be denied services if I refuse to consent to disclosures for purposes of treatment, payment, healthcare operations, if permitted by state law. I will not be denied services if I refuse to consent to a disclosure for other purposes.

Signature of ☐ Patient or ☐ Legal Representative: **Date:**

Name of Guardian/Legal Representative (if applicable) *(Please Print)*: **Relationship to Patient:**

Witness Signature: **Date:** **Time:**

Substance use disorder records are protected under federal law, including the federal regulations governing the confidentiality of substance use disorder patient records, 42 CFR Part 2, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 45 CFR Parts 160 and 164, and cannot be disclosed without written consent unless otherwise provided by the regulations. The federal rules restrict any use of alcohol and drug treatment information released for criminal investigations or prosecution purposes.

**Treatment includes, but is not limited to, care coordination and case management services.*
